BAY METRO TRANSIT MISSION

Our mission is to provide high quality public transportation service to the residents of Bay County. This means operating a system which is economical and efficient; a system safe for both employees and the public. It also means providing transportation service which is reliable and predictable; service which is responsive to the community needs and respectful of the property and rights of all individuals. While it is our goal to serve all the county residents, the needs of seniors and the disabled will be assigned a special priority.

SERVICES PROVIDED BY BAY METRO

*Fixed Route Services:

We operate nine fixed routes throughout Bay County with transfers available in Saginaw and Midland.
