NO CONDITIONAL BIDS:

This Invitation for Bids calls for bids which are responsive to the specifications, attached hereto and incorporated herein as Exhibit "A". Conditional bids, or those which take exception to the specifications, will be considered non-responsive and will be rejected unless specific approval from BMTA is requested in writing by at least 10 days prior to bid due date. All other eligible bidders or offerors are to be notified of any approved exceptions to the specifications.

APPROVED EQUALS AND DEVIATIONS FROM SPECIFICATIONS:

If the offeror or bidder proposes to submit a bid containing "approved equals" or "deviations" from the specific requirements of these specifications, the offeror or bidder must obtain such approval, confirmed in writing, prior to the date of bid opening.

Requests for "approved equals" and clarification must be received by the BMTA in writing no less than 10 days before date of bid opening. Any request for approved equals must be fully supported with technical data, test results or other pertinent information as evidence that the substitute offered is equal to, or better than, the specification requirements. Any unapproved deviations, exceptions, substitutions, alternates, or conditional qualifications contained in a bid may be cause for its rejection.

The BMTA reserves the right to postpone the bid opening or receipt of bids for its own convenience.

Changes to the specifications will be made by addendum only and issued by the BMTA's Purchasing Agent in writing.

Prime Contractors and Subcontractors may make appointments to discuss project specifications. This, however, does not relieve them from providing written documented requests.

Request for approved equals (if required), or clarification of specifications by a bidder or offeror must be received in writing by the BMTA's Purchasing Agent not less than ten (10) working days before the date of the scheduled bid opening or closing date for receipt of bids. All requests for approved equals or clarification of specifications should be addressed to:

Attn: Purchasing Agent
Bay Metropolitan Transportation Authority
1510 N. Johnson Street
Bay City, MI 48708

The BMTA's Purchasing Agent shall reply to all requests for approved equals or clarification of specifications within eight (8) days after receipt of the request. A copy of the response shall be sent to the requestor and all contractors and subcontractors who requested a copy of the original solicitation.

PROTEST PROCEDURE:

Protest of restrictive specifications or improprieties in the solicitation, by an interested party, must be received by BMTA's General Manager in writing not less than ten (10) working days before the date of the scheduled bid opening or closing date for receipt of bids. [An "interested party" is defined as any bidder or offeror, or subcontractor or supplier, provided they have a substantial economic interest in a portion of the RFB or RFP in question.] All protests should be hand-delivered, or sent via registered or express mail, to:

Attn: General Manager
Bay Metropolitan Transportation Authority
1510 N. Johnson Street
Bay City, MI 48708

Any protest of the specifications shall state the name of the submitter/protestor, a description of the project or solicitation number, and a statement of grounds for the protest. If any of the information is omitted or incomplete, BMTA will notify the protestor immediately in writing that the specified information must be submitted within a specified time period, if the protest is to be further considered.

Upon receipt of a written protest BMTA shall immediately determine if the date for the bid opening or closing date for receipt of bids should be postponed. If the bid opening or bid closing date is postponed, BMTA will contact all contractors and subcontractors who were furnished a copy of the specifications by BMTA that an appeal has been filed and that the bid opening or receipt of bids is postponed until a decision has been issued. Notice of the postponement will be made in writing by addendum.

Representatives of the BMTA and the protestor shall meet within twenty-four (24) hours after BMTA's receipt of the protest, or at a mutually agreed-upon time, to discuss all substantive issues raised in the protest. Upon completion of discussions between the BMTA and the protestor, the BMTA's General Manager will transmit a final decision in writing to the protestor within five (5) working days. The final decision will address, in detail, each substantive issue raised in the protest. If the written decision cannot be issued within this time period, the protestor will be notified in writing of the time extension. Upon issuance of the written decision, the BMTA will then issue appropriate addenda to cover any changes to the RFP or RFB or extension of bid due date, if required.

Protests by any adversely affected person for reasons other than for restrictive specifications or alleged improprieties in the solicitation must be made in writing and received by BMTA's General Manager not more than seventy-two (72) hours after announcement of award to the participating bidders or offerors. Upon receipt of a protest after contract award, the BMTA shall immediately determine if work on the protested project should be suspended until such time as the protest is resolved.

Representatives of BMTA and the protester shall meet within twenty-four (24) hours after receipt of the protest, or at such time as mutually agreed to by both parties to discuss the protest. Upon completion of discussions between BMTA representatives and the protester, BMTA will issue a written decision to the protester within five (5) working days. If the written decision cannot be issued within this time period, the protester will be notified in writing of the time extension.

Except as noted below, BMTA will not open bids, receive bids or award a contract if a formal written protest has been received and no final decision in response to it has been issued by BMTA's General Manager. After the issuance of a final decision, BMTA will wait a minimum of five (5) working days before opening bids or before awarding a contract for a project.

BMTA may open bids, receive bids, or award a contract for a project while a protest is pending final disposition if BMTA's General Manager determines that:

- (1) The items to be procured are urgently required;
- (2) Delivery or performance will be unduly delayed by failure to make an award promptly; or
- (3) Failure to make a prompt award will otherwise cause undue harm to the BMTA or the Federal Government.

A protestor may request reconsideration after a final decision has been issued by BMTA's General Manager, if new data or information becomes available that was not previously known, or there has been an error of law or regulation.

The provisions of FTA Circular 4220.1F (02/15/11), are hereby incorporated and made part of the rules of the BMTA. Protests to the FTA by a protestor must be made in accordance with FTA Circular 4220.1F. The FTA will only consider a protest that alleges failure of the BMTA to have or follow its protest procedures, or its failure to review a complaint or protest. An appeal to the FTA must be received by the cognizant FTA regional or Headquarters Office within five (5) working days of the date the protestor knew or should have known of the violation.

Violations of Federal law or regulation will be handled by the complaint process stated within that law or regulation. Violations of State or local law or regulations are under the jurisdiction of State or local authorities.

Any appeal or protest may be withdrawn at any time.

CHANGE ORDER

The Purchasing Agent is responsible for issuing change orders. The Technical Project Supervisor, working with contractors, will generally initiate the process by identifying the need for a "Change Order" and providing this information to the Purchasing Agent.

Issuance of a "Change Order" requires the contractor to submit a proposal detailing how the change will be accomplished and at what cost. A cost analysis is to be conducted to ensure that the cost impact of the required change is fair and reasonable.

The CONTRACTOR shall promptly submit its termination claim to AGENCY to be paid. If the CONTRACTOR has any property in its possession belonging to the AGENCY, the CONTRACTOR will account for the same, and dispose of it in the manner the AGENCY directs.

b. Termination for Default [Breach or Cause] (General Provision) If the CONTRACTOR does not deliver supplies in accordance with the contract delivery schedule, or, if the contract is for services, the CONTRACTOR fails to perform in the manner called for in the contract, or if the CONTRACTOR fails to comply with any other provisions of the contract, the AGENCY may terminate this contract for default. Termination shall be effected by serving a notice of termination on the CONTRACTOR setting forth the manner in which the CONTRACTOR is in default. The CONTRACTOR will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract. If it is later determined by the AGENCY that the CONTRACTOR had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the CONTRACTOR, the AGENCY, after setting up a new delivery of performance schedule, may allow the CONTRACTOR to continue work, or treat the termination as a termination for convenience.

c. Opportunity to Cure (General Provision) The AGENCY in its sole discretion may, in the case of a termination for breach or default, allow the CONTRACTOR ten(10) days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions.

If CONTRACTOR fails to remedy to AGENCY's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by CONTRACTOR of written notice from AGENCY setting forth the nature of said breach or default, AGENCY shall have the right to terminate the Contract without any further obligation to CONTRACTOR. Any such termination for default shall not in any way operate to preclude AGENCY from also pursuing all available remedies against CONTRACTOR and its sureties for said breach or default.

d. Waiver of Remedies for any Breach In the event that AGENCY elects to waive its remedies for any breach by CONTRACTOR of any covenant, term or condition of this Contract, such waiver by AGENCY shall not limit

AGENCY's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

e. Termination for Convenience (Professional or Transit Service Contracts) The AGENCY, by written notice, may terminate this contract, in whole or in part, when it is in the Government's interest. If this contract is terminated, the AGENCY shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination. f. Termination for Default (Supplies and Service) If the CONTRACTOR fails to deliver supplies or to perform the services within the time specified in this contract or any extension or if the CONTRACTOR fails to comply with any other provisions of this contract, the AGENCY may terminate this contract for default. The CONTRACTOR will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner or performance set forth in this contract. If, after termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the CONTRACTOR.

g. Termination for Default (Transportation Services) If the CONTRACTOR fails to pick up the commodities or to perform the services, including delivery services, within the time specified in this contract or any extension or if the CONTRACTOR fails to comply with any other provisions of this contract, the AGENCY may terminate this contract for default. The AGENCY shall terminate by delivering to the CONTRACTOR a Notice of

Termination specifying the nature of default. The CONTRACTOR will only be paid the contract price for services performed in accordance with the manner of performance set forth in this contract. If this contract is terminated while the CONTRACTOR has possession of AGENCY goods, the CONTRACTOR shall, upon direction of the AGENCY, protect and preserve the goods until surrendered to the AGENCY or its agent. The CONTRACTOR and AGENCY shall agree on payment for the preservation and protection of goods. Failure to agree on an amount will be resolved under the Dispute clause. If, after termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the AGENCY.

h. Termination for Default (Construction) If the CONTRACTOR refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the CONTRACTOR fails to comply with any other provisions of this contract, the AGENCY may terminate this contract for default. The AGENCY shall terminate by delivering to the CONTRACTOR a Notice of Termination specifying the nature of the default. In this event, the AGENCY may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The CONTRACTOR and its sureties shall be liable for any damage to the AGENCY resulting from the CONTRACTOR's refusal or failure to complete the work within specified time, whether or not the CONTRACTOR's right to proceed with the work is terminated. This liability includes any increased costs incurred by the AGENCY in completing the work. The CONTRACTOR's right to proceed shall not be terminated, nor the CONTRACTOR charged with damages under this clause if:

1. the delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the CONTRACTOR. Examples of such causes include: acts of God, acts of the AGENCY, acts of another CONTRACTOR in the performance of a contract with the CONTRACTOR, epidemics, quarantine restrictions, strikes, freight embargoes; and
2. the CONTRACTOR, within [10] days from the beginning of any delay, notifies the AGENCY in writing of the causes of delay. If in the judgment of the AGENCY, the delay is excusable, the time for completing the work shall be extended. The judgment of the AGENCY shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.

a. If, after termination of the CONTRACTOR's right to proceed, it is determined that the CONTRACTOR was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of the CONTRACTOR.

i. Termination for Convenience or Default (Architect and Engineering) The AGENCY may terminate this contract in whole or in part, for the CONTRACTOR's convenience or because of the failure of the CONTRACTOR to fulfill the contract obligations. The AGENCY shall terminate by delivering to the CONTRACTOR a Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the CONTRACTOR shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Contracting Officer all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process. If the termination is for the convenience of the CONTRACTOR, the Contracting Officer shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services.

If the termination is for failure of the CONTRACTOR to fulfill the contract obligations, the AGENCY may complete the work by contract or otherwise and the CONTRACTOR shall be liable for any additional cost incurred by the AGENCY.

If, after termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the CONTRACTOR.

j. Termination for Convenience or Default (Cost-Type Contracts) The AGENCY may terminate this contract, or any portion of it, by serving a notice of termination on the CONTRACTOR. The notice shall state whether the termination is for convenience of the AGENCY or for the default of the CONTRACTOR. If the termination is for default, the notice shall state the manner in which the CONTRACTOR has failed to perform the requirements of the contract. The CONTRACTOR shall account for any property in its possession paid for from funds received from the AGENCY, or property supplied to the CONTRACTOR by the AGENCY. If the termination is for default, the AGENCY may fix the fee, if the contract provides for a fee, to be paid the CONTRACTOR in proportion to the value, if any, of work performed up to the time of termination. The CONTRACTOR shall promptly submit its termination claim to the AGENCY and the parties shall negotiate the termination settlement to be paid the CONTRACTOR. If the termination is for the convenience of the AGENCY, the CONTRACTOR shall be paid its contract close-out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination. If, after serving a notice of termination for default, the AGENCY determines that the CONTRACTOR has an excusable reason for not performing, such as strike, fire, flood, events which are not the fault of and are beyond the control of the CONTRACTOR, the AGENCY, after setting up a new work schedule, may allow the CONTRACTOR to continue work, or treat the termination as a termination for convenience.
